Dear Olivier

**Your letter: *Pièce nc291/février/2009***

Thank you for your letter to Sir Nicholas Serota. Sir Nicholas has passed it on to me for consideration and reply.

Having shared your letter/work with colleagues in my team and visited your website, I am returning *Pièce nc291/février/2009* to you. Although your "Non-Collections" work is interesting, we are unable to accept works into our collection which are not in accordance with our Collections Strategy – even when they are offered as gifts – so unfortunately I must return the work to you.

I'm sorry not to be able to send a more encouraging reply.

Yours sincerely

Frances Morris  
Head of Collections (International Art)
